

Attachment for The-Party

Addition to General Regulations for all events organized by Duh-Events.

Version 2.0

A. Noise

1) It is not permitted to bring speaker sets to The-Party, due to making too much noise.

B. Staying the night

1) The participant can only stay the night at the places pointed out by the organization. Staying the night in the paths where the computers are is strictly forbidden. The participant can only make use of normal night equipment. Making use of tents and other abnormal night equipment is forbidden inside the location. Participants that breaks this rule will be removed from the event without a refund.
